No Experience Needed

Trophy
Medals
Chess Belts!

GRADE PreK

Develop your child's intellect through the fun game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance motivation, concentration, focus, social skills and creativity.

Smart Start Chess is an innovative approach to teaching chess to children as young as three. We make learning chess simple, fun, and accessible. Each Smart Start Chess lesson features 5-7 major transitions to keep students excited and engaged. The children have a blast playing "human chess" on a life size 4' x 4' chess mat, and participate in a variety of activities, such as songs, crafts, dance, coloring, and creative play. These hands-on activities expose children to chess concepts and pieces, in order to help them gain a basic understanding of the game.

Course Time: Wednesdays, February 6th - April 3rd, 3:15 PM - 4:15 PM
(9 Classes)

To sign up for Chess Scholars, please visit <https://www.chessscholars.com/signup>.

You will need to enter the class code **BLN2.6.19** in order to register. Please register by 1/24 for the early bird price of \$144.00.

Registrations received after 1/24 are considered late and will be charged an additional \$15.

If you have difficulty registering, please contact Chess Scholars at 847-482-9999 or registration@chessscholars.com

No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.
